OUR COURSES

General Courses

Our general courses develop all your practical communication skills with emphasis on speaking, pronunciation and listening.

By using modern technology (video, audio, computer assisted language learning) we aim to increase the student's confidence and maximise language skills development and effective communication.

Combination course. 25 hours/week

This course integrates the Intensive course in the morning with a tailor-made programme based on private instruction and giving students an opportunity to work on any specific language problem areas.

INTENSIVE COURSE. 20 hours/week

The lessons concentrate on grammatical structure, speaking and understanding everyday Spanish and pronunciation. Intermediate to advanced classes focus on comprehension, communication, creative writing, idiomatic expressions and presentation of role-plays.

Executive course. 30 hours/week

This course is designed to motivate students who wish to maximise the time spent in Spain as effectively as possible. Following the special needs analysis, a course is specifically designed to suit the particular requirements of each student.

OUR COURSES

Spanish PLUS...

All the courses below are designed to provide students with the opportunity to combine the study of the Spanish language with lessons in their chosen cultural activity.

Book any of these courses in combination with the **INTENSIVE COURSE**.

Dance Lessons

The FLAMENCO DANCE course introduces the fundamentals of the Flamenco dance form that originated from the Gypsies and is a part of the Andalusian culture of southern Spain.

Cooking Clases

With this programme the student will learn about the SPANISH GASTRONOMY and the Mediterranean cooking. Good food is an integral part of Spanish culture interwoven through out the customs and traditions.

Andalusian Handicraft (Ceramics and murals)

The HANDICRAFT course takes place in the afternoon in the teacher's studio. The technique used is the original one introduced to the Iberian Peninsula by the ancient Arab civilisation during their long stay.

Golf Lessons

The golf lessons will take place in the Torrequebrada Golf Club (Benalmadena): a 18-holes prestigious golf course situated between the Mediterranean Sea and the mountains.
